## PCDB Pricing Changes Notification

The fee to list products in the PCDB will be changing as outlined in the table below

The below fee table provides the new standard costs to undertake the necessary data processing and database management activities for listing certain Technology Types in the SAP Product Characteristics Database (PCDB). These activities are undertaken by the Building Research Establishment (BRE), who is contracted to manage the maintenance and development of the PCDB on behalf of the Department for Energy Security and Net Zero (DESNZ).

Price changes will take effect from 1<sup>st</sup> April 2026.
